Everyone is welcome!

Come and spend an hour in our romantic woodland church

And enjoy some refreshments afterwards.

Thought for the month Luke 8, verses 14 and 15

The seed which fell among the thorns, these are the ones who have heard and, as they go on their way, they are choked with worries and riches and pleasures of this life, and bring no fruit to maturity.

But the seed in the good soil, these are the ones who have heard the word in an honest and good heart, and hold it fast, and bear fruit with perseverance.

Living Archive Milton Keynes

At Living Archive Milton Keynes it already looks set to be another busy year. We're in the middle of the first of three Creative IT Courses in collaboration with Community Learning MK. If you are interested in local history and learning new skills, have a basic knowledge of IT and would like to learn how to create your own web page, this opportunity could be for you. The course will run again in April and June.

Our Heritage Lottery Funded Rugby Heritage project is in full swing. Cheryl and her team have been working with Milton Keynes' clubs to discover the untold story of Rugby in MK. The team are still speaking to people with an MK Rugby story and conducting research for the website, book and exhibition.

Would you like to join the team? To help share the Rugby Projects' findings we are seeking volunteers with a few hours per week to join us and add content to the Rugby Heritage Project website. The team meet with Cheryl at The Living Archive Training Hut, MK Museum every Tuesday morning from 10am and full training is given.

Our newest DVD release 'MK Through the Lens' had a wonderful response in the run up to Christmas. Thank you if you bought this DVD or one of our other publications. Proceeds from the DVD have been allocated to further digitise archive film held in our collection. Funds raised are vital to help save the precious film and to continue to share moving images of Milton Keynes' past with our community.

If you have footage or items that you think might be of interest to the people of Milton Keynes, a Rugby story to tell or a few hours you would like to share, we would love to hear from you.

MK Through the Lens and many other publications are available to order online www.livingarchive.org.uk, by giving the office a call and arranging for collection. Mrs B's Emporium on Church Street also stocks many of our publications.

PM's Christmas Present from Hornes Brewery :

Prime Minister David Cameron has received a gift set of Ales from **Bow Brickhill's** very own Hornes Brewery.

The gift was handed over by Milton Keynes South MP Iain Stewart early this week.

Hornes Brewery which opened in March invited Milton Keynes South MP Iain Stewart to visit their site back in the summer and taste their very own 'Triple Goat' ales. Following the visit Mr Stewart wrote to the Banqueting department in the House of Commons and they have been invited to be the 'Guest Beer' early in 2016.

On top of that the Prime Minister is set to open a bottle himself on Christmas day.

The inspiration for the Brewery's beers came from the Horne family's very own three goats, Herbie, Sooty & Dusty who reside in the paddock beside the brewery.

Iain Stewart said, "Last year I gave the PM an MK Monopoly Board and I fear the children probably got most use out of it. This Christmas I thought a few beers wouldn't go amiss after a busy year."

Head brewer, Ryan Horne added, "I am delighted Iain choose to give the PM one of our Ales, I hope he enjoys it!"

LAUGHTER LINES

Two men find three grenades, and they decide to take them to a police station. One asked: "What if one explodes before we get there?" The other says: "We'll lie and say we only found two."

A tourist asks: "Why do scuba divers always fall backwards off their boats?" To which the diver replies: "If they fell forward, they'd still be in the boat."

A man's dog goes missing and he is frantic. His wife says "Why don't you put an ad in the paper?"

He does, but two weeks later the dog is still missing.

"What did you put in the paper?" his wife asks.

"Here boy!" he replies.

Do you want to hold a party at the Pavilion?
The Pavilion is available to hire for residents (and non-residents) at a very competitive rate should you wish to get available dates or hire rates

MK Council are holding a drop in session at The Pavilion, 6.30pm - 8.30pm on Wednesday 3rd February 2016. Officers from the Development Plans Team will be available to discuss the consultation.

Consultation runs - 13 January - 6 April 2016

The consultation document seeks feedback on the development directions that emerged as part of the Plan:MK workshops held in Spring 2015. A number of questions are posed which provide an opportunity to tell us your thoughts on these development directions or suggest other ideas as to how and where Milton Keynes should grow in the future. Your input in this consultation will assist in preparing a vision and development strategy for Plan:MK.

The consultation document along with the associated Plan:MK Vision Workshops Report can be viewed by using the following links:

[Plan:MK Strategic Development Directions Consultation Document, Jan - April 2016 \(PDF, 2.8MB\)](#)

Copies of the document will also be available to view in Milton Keynes Council Civic Offices and in all libraries across Milton Keynes

Bow Brickhill Neighbourhood Plan

Leaflets will shortly be dropping through your door telling you about our draft plan. We've been working hard to incorporate all the wishes of the village into this document, and also to ensure it meets local and national legal planning requirements.

The leaflet will outline what's in the plan. Copies of the whole document will be available in as many places as we can find to put them, and online too. We want your comments because community involvement is what neighbourhood planning is all about. So whatever your opinion of the plan, please do tell us.

This stage will be followed by examination of our plan by Milton Keynes Council and then a planning inspector. After that you'll have your chance to vote yes or no at a referendum before the plan is adopted and becomes part of statutory planning policy.

Lent Course 2016**

The Psalms: Prayers for today's church

The ancient poems we call Psalms are over 2000 years old. They were written in very different times from our own when humans could travel at the speed of a camel - not at the speed of sound. But these songs have stood the test of time for they address many of the problems we still face: violence, injustice, anger - and bewilderment. Why do the wicked prosper? Where is God when we suffer? In this 5-session course, Bishop Stephen Cottrell - a prolific and popular author - and other speakers reflect on the psalms in general (and five psalms in particular).

Session One: Know that the Lord is God (**Psalm 100**)

Session Two: Out of the depths have I cried (**Psalm 130**)

Session Three: How long, O Lord? (**Psalm 13**)

Session Four: You spread a table before me (**Psalm 23**)

Session Five: Unless the Lord builds the house ... (**Psalm 127**)
