

Bow Brickhill Club

The morning of June 7th dawned bright and warm. Once again the club were fortunate in having ideal weather for their summer outing. After leaving Bow Brickhill our driver took us as far as Redbourne (A5 scenic route) before joining the M1 for the remainder of our journey. We arrived at "Masters" our favourite fish and chip restaurant, in time for lunch. An excellent lunch consumed, we were taken, on a very interesting tour of the City of London before arriving at Westminster Pier where we joined our boat for a three hour return cruise to the Thames Barrier.

During our cruise we passed many places of interest including the Globe Theatre, The national Theatre, Docklands, The Greenwich Museum and the Dome, before passing through the Thames Flood Barrier and returning to Westminster Pier. This cruise, the highlight of our outing was over all too quickly and we were soon back on the coach making our way home. Now we must consider what where we would like to go in Summer 2006.

Our next meeting will be on Tuesday July 3rd at 2pm in the Pavilion. Don't forget this will be strawberries and cream day!

As this edition goes to print the G8 summit is starting in Scotland. The Make Poverty History Campaign seeks to bring justice for poor nations. St Anselm's prayer was written more than 900 year ago and is still relevant today.

*We bring you, O Lord, the troubles and perils
of people and nations:
the sighing of prisoners and captives,
the sorrows of the bereaved,
the necessities of strangers,
the helplessness of the weak,
the despondency of the weary,
the failing powers of the aged.
O Lord, draw near to each,
for the sake of Jesus Christ our Lord.
Amen.*
