Bow Brickhill C of E (VA) Primary School

The school celebrated the Jubilee by learning about the reign of Queen Elizabeth II through projects such as designing postage stamps and painting portraits of the queen. The celebrations culminated with a church service and tea party on 1 June; it was very heartening to see members of the local community who are not ordinarily involved with the school enjoying the latter event.

Thanks to the enthusiasm of the pupils and music teacher Alison Lowe, the school has gained a silver Sing Up award which is given for a commitment to singing throughout a school.

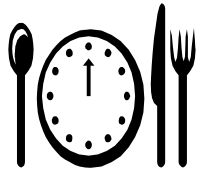

Additionally, the school's violin quartet won silver at the annual Milton Keynes Music Service primary school strings festival. This is the first time the school has ever won or placed in this competition. Congratulations to Emily Ritschels, Poppy Stratford, Luke Hallett and leader Ciana Russo. The quartet went on to play to a large audience at the winners' concert at Christ the Cornerstone church in central Milton Keynes.

CLEANER WANTED

Gerald Crosby the current cleaner at the Bow Brickhill Pavilion will be on sick leave from **Wednesday 27th June** for about 3 weeks. If someone would be able to take over this role during his absence it would really help us. It is usually for about 1 or 2 hours a day at £7.50 per hr.

If you would be interested in this please contact the Parish Clerk :
Debbie Mayer on 07904 339391 or Email: parish.clerk@bowbrickhill.org.uk

The reply received from an email sent to the Citizen about the non-delivery of the newspaper to parts of Bow Brickhill

Dear Mrs Sidgwick

Thank you for your recent communication regarding delivery of the Milton Keynes Citizen .

As a result of a recent review of our delivery and carbon footprint a decision has been made to reduce the number of copies of the MK Citizen delivered in some areas of Milton Keynes and surrounding villages. Unfortunately this means we are currently unable to deliver a copy to you.

I should point out that the MK Citizen is produced by Johnston Press which has suffered as a result of the economic downturn, particularly in terms of soaring costs of newspaper print and distribution costs. I should also point out that advertising revenue is our only source of revenue and this too has declined. The newspaper is not sponsored in any way either by independent businesses or the council, consequently some difficult decisions have been dictated by tough trading conditions, including those of distribution which have to be limited.

We understand your disappointment but alternatives have been made available by way of increasing availability at additional outlets and online at www.miltonkeynes.co.uk <<http://www.miltonkeynes.co.uk>>

I hope this goes some way to explaining the situation which is always under constant review.

Kind regards

Olga Norford, Editor—Milton Keynes Citizen

olga.norford@jpress.co.uk <<mailto:olga.norford@jpress.co.uk>>

I explained that some people in the village did not have access to a computer so I was then told that they could always buy a copy from stores such as TESCO for £1.75 per copy !

Sheds - Easy pickings?

Offenders see sheds as easy pickings because they are unprotected and lack basic security measures. The buildings often contain property that can be sold on or implements that can be used to force entry into the owner's home.

Many sheds whilst being of good construction fall short on basic security so be aware and do what you can to restrict entry.

THE BOW BRICKHILL HISTORY SOCIETY

Did you know?

Members of the history group are currently entering details of all the Births, Marriages and Deaths recorded in The All Saints Parish Registers from 1600 onwards onto a bespoke piece of software on the internet. This will eventually form the basis of a complete virtual archive for the village. If anybody is good at data entry and would like to assist us in this painstaking but extremely interesting and rewarding task, please get in touch!

The group has completed the recording, mapping and photographing of all the graves in the churchyard which will be available to family researchers etc. in due course.

We are constantly adding to our collection of postcards, photographs, maps etc., if you have anything of interest (which we can scan and return very quickly) we would love to hear from you. Special thanks must go to the family of Tom and Nellie Hall who have recently lent us a wonderful assortment of photographs taken in the village, mainly at the school in the 1950's.

FORTHCOMING EVENTS

CHURCH OPEN DAY AND SPONSORED BIKE RIDE – SEPTEMBER 8TH

On **Saturday, September 8th** the church and tower will be open for visitors and for those taking part in the Bucks Historic Churches Trust Sponsored Bike Ride. This is an annual event with those participating getting sponsorship for visiting as many churches as they can either by bike, horseback or on foot. Half of the money they raise goes to their local church and the other half to the Historic Churches Trust, a body which helps to look after church buildings. We have received a £5000 grant from the trust towards the stonework repairs on the tower. If anyone is interested in taking part in this please contact John Wales on MK 373907 for a sponsor form.

Also on that day we will be open as part of the local Heritage Open Day and ASTRA will be running tower tours to show the excellent restoration work that has been completed. As well as splendid views of the surrounding countryside from the tower there will be photos and old records of the village on display and teas and cakes available.

THANKSGIVING SERVICE – SEPTEMBER 9TH

The next day, **Sunday September 9th**, the **Bishop of Buckingham** is coming to take part in a **thanksgiving service in the church at 3.00pm** to acknowledge the work done on the tower. We hope to have as many people from the village as possible and all those who have contributed to the tower works sharing in this service so please make a note in your diaries.

HARVEST

Our **Harvest Family Service** will be on **Sunday October 14th**. There will be a **Harvest Supper** on **Saturday evening (October 13th)** in the church hall. Details to follow.

Thames Valley Police Prospectus

Circulated on behalf of Chief Constable Sara Thornton

The Thames Valley Police Prospectus, 'Policing the Thames Valley – How we cut crime and protect our community' is now available from a link to the Police Prospectus available on the website:

www.thamesvalley.police.uk

In November there will be a change from the current structure of the Police Authority to a Police and Crime Commissioner who will be directly elected by the public. This is the most ambitious and far-reaching reform of policing in more than half a century. It is my responsibility to work with the current Police Authority to ensure that we are prepared for that change. An important part of that preparation is to make sure that the public understands how we police our communities.

This document aims to provide an insight into how we police our communities and how we set out to cut crime – from anti-social behaviour to terrorism. I hope you find this prospectus to be informative and interesting and that it may have also prompted you to want to find out more about policing in the Thames Valley.

Message sent by Parmvir Singh (Police, Global Admin, Thames Valley)

THE MGEZWA SCHOOL YOUTH CHOIR OF SOUTH AFRICA THURSDAY 5TH JULY AT THE WHEATSHEAF : 7 P.M.

Bow Brickhill resident Megan Botha has, during her career as a teacher in Hemel Hempstead, had the opportunity to work closely with The Mgezwa School in South Africa.

As part of the Cultural Olympiad 2012, students from both schools are singing together and we are fortunate that they have found a space in their busy schedule to sing at The Wheatsheaf.

Hopefully, if the weather is nice they will be able to sing outside. There will be several happy renditions but one in particular has been composed specifically for them by a very talented 6th form student.

To enable the partnership to continue they are constantly fundraising and as a "thank you" for entertaining us we would like to do our bit.

Simon is going to be cooking a sausage, mash & onion gravy supper to be served after the singing for which we will charge £7.00 per person with £3 going to the charity.

We are asking for payment in advance so we can present our donation before they leave on the night so pop in and book your supper and look forward to a really enjoyable evening.

Please call us on **01908 374795** for any further information or if you have any special dietary requirements.

PARISH COUNCIL NEWS

PARISH COUNCIL NEWS

New Parish Councillor

We are delighted to welcome aboard Norman Stephenson, who was co-opted as our new parish councillor at the meeting on 14th June. Norman can be contacted on 01908 368577.

Dog bins

Thanks to all the responsible dog owners who are clearing up after their pets, most of the dog waste bins are now full to overflowing! In view of this, we've arranged to increase the collections from fortnightly to weekly.

Bench in Greenways

The bench near the bungalows in Greenways had become quite dilapidated and overgrown with brambles. At the Parish Council's request, MK Council has renovated the bench and will be replacing it on the grass, away from the hedge.

Ascot fencing in Station Road

The planting within the Ascot fencing in Station Road (outside numbers 27 to 33) has become very scrubby, with a large number of weeds. MK Council has been asked to attend to the area and they have agreed to tidy it up and possibly look at some new planting in the autumn.

Danesborough Summer Games – cancellation

The Danesborough Summer Games, timed to coincide with the Olympics and including a hog roast at the Pavilion in July has unfortunately been cancelled, owing to difficulty in finding teams to compete.

Going on holiday? - Make your home look occupied

If you're out or going away, ask a trusted neighbour to open and close your curtains for you and also ask if they don't mind parking their car on your driveway and trimming your garden to make your home look occupied.

Cut the front and back lawns before you go away and trim any plants that burglars could hide behind.

Cancel milk and newspaper deliveries.

Before your holiday, don't advertise that you are going away on Facebook, Twitter etc.

Leave important documents and valuable personal items with other family members or a bank. Double-check that you've locked all outside windows and doors. Set your burglar alarm

The De Havilland DH108 air crash

In 1950 a de Havilland DH108 experimental jet aircraft crashed here killing the pilot, Stuart Muller-Rowland. The VW120 was involved in transonic dive research and the test flight was supposed to examine the effects of change from sub-sonic to transonic flight, but the aircraft is thought to have broken up whilst in a dive. Some of the wreckage came down at Little Brickhill, the cockpit somewhere near Bow Brickhill church and other pieces were found as far away as Husborne Crawley. Muller-Rowland's body was found near Sandy Lane between Bow Brickhill and Woburn Lane. A new book has been published about the three DH108 prototypes and the men who flew them - A Very British Sound Barrier - DH108: A Story of Courage, Triumph and Tragedy

www.wingleader.co.uk/A-Very-British-Sound-Barrier-p/soundbarrier.htm

Does anyone remember the incident? If so the History Society would be interested in hearing from you.

THE BOW BRICKHILL CLUB - JUNE MEETING

On Tuesday June 5th. the club spent a delightful afternoon celebrating the Queen's Diamond Jubilee, which combined with our annual Strawberry Tea, gave very good reason for a very special tea party, enjoyed by our members. The afternoon continued with a "Silver Jubilee Quiz" won by Mrs Pam Schorr and Mrs Janet Baker. This was followed by our monthly raffle, bringing our meeting to a close.

Our next meeting will be in the Pavilion at **2.00pm. on Tuesday July 3rd** when we look forward to an interesting afternoon in the company of our friends.

The August meeting will be again in the Pavilion, at **2.00pm. on Tuesday August 7th**

BE AWARE

Now the weather is brightening up and the sun is shining, it is all too tempting to become complacent when it comes to our home security.

The most common cases of opportunist summer burglary involve offenders that:

- enter an insecure front door while residents are in the back garden
- enter doors that are closed but unlocked at night while residents are asleep
- reach through windows to take valuable items

In around 25 percent of break-ins that take place in the spring and summer months, entry is gained through insecure windows and doors, especially at the rear
