BOW BRICKHILL BROADBAND

At the Parish Council meeting held on the 11th February representatives from BT and Milton Keynes Council attended to discuss the issues surrounding getting a fast broadband service to the section of the village that does not already have this service. The next stage of the BT/MKC roll out is to be decided in the next couple of months and it is at this stage unknown if Bow Brickhill will be included in this, but even if it is, it is unlikely that funds would be available to proceed until after 2019.

The Parish Council meeting was also attended by two village representatives who have set up the Bow Brickhill Community Broadband Group. They have put together a proposal for affordable broadband for all and have undertaken an initial feasibility study for an alternative solutions that leapfrogs the current mainstream providers and provides a high-speed, low costs and locally owned solution.

In order to gauge public opinion on this proposal, the Parish Council would be grateful if you could look through the documentation uploaded to the village website www.bowbrickhill.org.uk and provide your feedback to the Parish Clerk as to whether this community proposal is an option that you would like to consider being involved in.

Once we have received your comments, the Parish Council can then consider their next steps to hopefully solve the lack of fast speed broadband in the lower half of the village.

an illustrated talk by Paul Cox

Church Hall, Church Road, Bow Brickhill, MK17 9LH

Gerald, grandson of the Rector of Bow Brickhill, is commemorated on the War Memorial. He was an airman during the first World War who was captured in Germany, but managed to escape and make his way back to England. Paul Cox is a well-known local historian, who has been researching Woburn Sands and area since 1989. He also runs the Woburn Sands Collection, a privately owned archive of local material.

Free of charge. Everybody welcome. Refreshments provided.

Bow Brickhill Neighbourhood Plan

Leaflets will shortly be dropping through your door telling you about our draft plan. We've been working hard to incorporate all the wishes of the village into this document, and also to ensure it meets local and national legal planning requirements.

The leaflet will outline what's in the plan. Copies of the whole document will be available in as many places as we can find to put them, and online too. We want your comments because community involvement is what neighbourhood planning is all about. So whatever your opinion of the plan, please do tell us.

This stage will be followed by examination of our plan by Milton Keynes Council and then a planning inspector. After that you'll have your chance to vote yes or no at a referendum before the plan is adopted and becomes part of statutory planning policy. **BBPC - Bow Brickhill Neighbourhood Plan Working Group**

Do you like going to the theatre?

Would you go more frequently if you had friends to go with?

I am trying to gauge interest in setting up a theatre group.

Milton Keynes Theatre offer a wide range of productions, but we could also visit the Waterside, Aylesbury, Leighton Buzzard, and the Stables at Wavendon. Some of these offer significant reductions for bookings of 10 or more.
