

Bow Brickhill Club

Our meeting on April 5th was well attended by 39 of our members. We were delighted by the return of Mrs. Enid Burton who, since her accident, has been unable to attend for the past few months.

The afternoon started with our regular quiz, won this month by Mrs Pam Schorr. This was followed by discussion and plans for our summer outing which is now well under way. With tea to be consumed and Rosemary's raffle to be drawn time was rapidly running out, but Don and Betty managed to arrange a quick Bingo session before the meeting closed at 4.00p.m.

Our next meeting will be on Tuesday May 3rd, when Mr Robin Brown will be visiting us again, this time with an illustrated talk on Bletchley in past times. We look forward to seeing everyone in the Pavilion at 2.00p.m when we shall be sure of a very entertaining afternoon.

Pavilion grounds

AFC Rangers have begun maintenance of the football pitch. They are hoping to improve the pitch and the drainage to get it into a good playing condition for next season. Your co-operation is appreciated in keeping dogs on a lead when walking around the pitch to avoid problems of fouling. When AFC Rangers begin regular training sessions in the village they invite villagers of any age, boys and girls to join them with their coaches. A link to their website can now be found on the Bow Brickhill website.

Edwin Close Footpath

The Parish Council is looking at ways to improve the condition of the footpath between the Pavilion and Edwin Close, especially as this now forms part of the school travel plan.

Community Action Day

The Parish council have agreed to hold a fun day clearing ditches, and tidying up the undergrowth around the Pavilion area, this may also include some work on the Edwin close footpath. This will be held in July, more details to follow but it is hoped that this will be a social occasion too, with perhaps a village barbeque for helpers and supporters.

Photo competition

The Parish council invites villagers to take pictures of the village and village life to submit in a photo competition in July, this event will probably be linked to the community action day discussed above.

Bow Brickhill W.I

At the April meeting Mrs Audrey Tompkins, who gave an amusing talk "Are you being served" which told what it was like to work in the large Department Store "Beatties", entertained us with what it was like when customer service, and appearance of staff and department presentation, were major priorities. She mentioned many amusing anecdotes of what could and did happen when working in retail.

Ann Pickersgill won the competition for "An unusual coin" and the raffle was won by Carole Stewart and Joan West.

This is the 85th year of the W.I in Buckinghamshire, and we are celebrating with a Party for the four Institutes who make up our Group, Great Brickhill, Soulbury, Stoke Hammond and Bow Brickhill on May 17th, at the Pavilion.

Could you care for a planter?

The village planter at the Station end of the village needs someone to look after it from the end of May. This involves clearing and planting the planter twice a year (October and May). Also deadheading and watering plants as needed. If you can help please let Diana know on 372434

Youth Club

Youth Club are still enjoying meeting twice a month. Most meetings are at the Pavilion but from time to time we go out for an outing instead. At Easter the Church took us on an outing which was great fun. On election day we will be going bowling because the Pavilion is in use as a polling station.

The youth club committee would also like to take this opportunity to thank Christine Loak for all of the work that she did for them in her role of Chair of the Parish Council, Chris and Douglas are invited to pop in at any time for a visit!

New members aged 10 and over are always welcome. We meet on the first and third Thursdays of each month at 7pm.

Youth on Show

After much deliberation we have decided to disband Youth on Show, a tough decision as we have been meeting and performing since 1991. We own a huge number of costumes that we have collected over the years which we store in the portacabin at the Pavilion. We are anxious that anything of value or use should be found a new home. Therefore we are holding an open evening on Wednesday 15th June 6 – 8pm when any organization or individual is welcome to come and rummage.

On behalf of Youth on Show may I take this opportunity to thank the Parish Council and the many local people for the help, support and encouragement we have been given over the past 14 years.

Letter from the Rector

Dear Friends,

Vote and Pray

When we come to election time, I always encourage people to vote if they possibly can. We have an opportunity that many other people around the world are longing for, or fighting for, or have recently won at great cost.

It is a great concern that the turnout of voters at our elections continues to fall, as an expression of apathy or disillusionment. Our political system is far from perfect (as every such system is), and our politicians are far from perfect – they are fallible human people like us. But I believe that this is an opportunity that we should be thankful for, and make the best use of.

It is not my place to tell anybody else who they should vote for. Sometimes people talk about ‘moral issues’, usually meaning things like abortion or euthanasia, but in fact there are moral or ethical aspects to most issues, including our health and education systems, and our care for the poorest and most vulnerable people in this country and around the world. I don’t expect that any of us ever find our perfect party or candidate, whose views exactly match our own, but we can think and pray over the issues we are most concerned about, and vote in the way that seems best.

So, let us give thanks for this opportunity, and use it. And as we vote, to do it not just as an expression of our own interests, but for the good of all people.
