### DOG FOULING

Please note that the BBPC has received several complaints about dogs fouling on the playing field and being allowed to run across the field off the lead. Both of these practices are not allowed and there are notices to this effect clearly displayed at the entrance to the field.

Those who are ignoring this code of behaviour when walking their dogs should be aware that if the situation does not improve then more formal measures will be adopted to address this antisocial problem and the people who cause it.

## Bow Brickhill History Society

The 100th anniversary of the declaration of WW1 was commemorated in the village in early August.

The launch of our new publication entitled 'Bow Brickhill During the Great War' coincided with a traditional Edwardian Tea held in the Church Hall. Thank you to the ASTRA boys who repaired the floor, our members who prepared the hall and made sandwiches, cakes, scones and jam, residents for the generous loan of precious memorabilia, the school for sharing their work, all our readers, the guests who listened so intently all afternoon and the church for the use of the hall. After costs, we were able to donate £125 to the British Legion Poppy Appeal.

### "Lights Out"

A group of residents shared a moment of reflection at 11 pm on August 4th at The War Memorial on the village green. The names of the men who fought and/or had fallen during both world wars were solemnly read out on a beautiful moonlit night. The lamp was blown out as the school clock struck making for a moving and poignant occasion. Thank you to whoever lit the single hurricane light at 10.00 pm and to those who complied with 'Lights Out'.

The next meeting of the history group is at the Church Hall on Wednesday 3rd September at 7.30 pm. All are welcome.

### Wanted!.....

#### ..... Silver Tipped Walking Stick—

Records show that at the end of World War 1 each service and ex-service man in the village (a total of 59) were presented with a silver mounted walking stick engraved with the recipient's initials. We would love to see one, have you or your family anything of this description tucked in the back of a cupboard or do you have a photograph or a memory of the same?

The history group would love to hear from you.

Please contact Sue 372376 [sue@bowbrickhill.com](mailto:sue@bowbrickhill.com) or Mary 647003 [marypreen@gmail.com](mailto:marypreen@gmail.com)

### ALL SAINTS LUNCH CLUB

The **September** meeting of the lunch club will be on **Sunday 21st** at the **church hall at 12.30pm** when we will be celebrating our **10<sup>th</sup> birthday!**

The club was formed in 2004 with the aim of providing a good lunch and fellowship in a friendly atmosphere and new guests are always welcome, particularly any one who lives alone, to join us and enjoy some company and share a traditional Sunday lunch. Transport to and from the hall is available.

Please contact **Kay or Stuart Leeming on 372032** to book in or if you would like any further information.

### WEDNESDAY CHURCH HALL DROP-INS

Do you enjoy meeting up with others for a chat over a cup of tea or coffee?

If so, drop in to the church hall on **Wednesday afternoon September 10<sup>th</sup>** anytime between **2.30pm and 4.30pm**.

### THREE PARISHES BUS TRIP

The Three Parishes Bus Trips are open to all parishioners aged 60 or over living in Bow Brickhill, Woburn Sands or Wavendon.

The next bus trips (open to residents of the village aged 60+) are:

**September 17th - Richmond**  
**October 22nd - Banbury**

The cost is £8 and the coach will leave at 9.00 a.m. (Non-parishioners may have tickets for £9.50 if seats are available.)

Tickets are available from Ron and Sylvia Fox on 378289. The fare is £8 and the coach pick-up points in Bow Brickhill are Church Road and Station Road bus stop.

### SONGS OF PRAISE SERVICE

**Sunday September 7<sup>th</sup>**

Instead of our usual evensong service on **Sunday 7<sup>th</sup> September** we will be holding a **'Songs of Praise'** service at **6.00pm** in the church.

Do join us for an enjoyable evening of favourite hymns, readings and choir anthems and stay for a glass of wine after the service.

**Woburn Sands Library** is now open on Tuesday evenings between 6pm and 8pm.

The Library will be run by local volunteers offering a limited service, who have been trained by Milton Keynes Council.

Cllr David Hopkins (ward member for Danesborough & Walton) was joined by Cllr Brian White, Mayor of Milton Keynes and Cllr Mike Geddes (Mayor of Woburn Sands) to celebrate the extended hours.

Cllr Hopkins said: "The extension of opening hours to include Tuesday evenings is in response to demand from within the community and represents a further step forward in the development of this much valued community facility."

### ANGLIAN WATER EMERGENCY TELEPHONE NUMBERS

The village recently had an emergency regarding sewage and it was quite difficult to contact Anglian Water because the number 145 145 number is only manned during office hours.

So in the event of emergencies the numbers you can use are [0800 145145](tel:0800145145) or [0800 771881](tel:0800771881) or 03457 145145.

There is also the option of calling Milton Keynes Council out of hours emergency number [01908 226699](tel:01908226699)

**"The truth is, however rich people get, they hate paying tax. Some live abroad for a year or years at a time just to avoid it. Bizarre really - desperate economic migrants are driven to leave their homeland because of poverty; tax exiles are driven overseas by their wealth."**

### MILTON KEYNES HOSPITAL

I think it is important to respond to the recent report about possible future changes to Milton Keynes Hospital. We are dismayed that some of our political opponents have chosen to make unnecessarily alarmist comments about the health review that is taking place. While it is the case that the distribution of clinical services is being reviewed, we have a high confidence that this will lead to an enhancement of clinical care that Milton Keynes Hospital provides.

Since the foundation of the NHS, it has always been the case that not every hospital can provide 100% of treatments and that some hospitals will be centres of excellence for particular treatments. For example, it is a well-established practice that if a Milton Keynes patient requires specialist cardiac treatment then that will be provided at the John Radcliffe Hospital in Oxford. With the increased demand on NHS services and the ever-expanding range of treatments that can be provided, it is sensible periodically to review which hospitals provide which services. While overall spending on the NHS continues to rise under this Government and we have seen an increase in the number of clinical staff, we must always be vigilant in ensuring that the money is spent as well as is possible.

Our two local members of Parliament, Iain Stewart & Mark Lancaster believe Milton Keynes Hospital will not only remain a major hospital but that its status will be enhanced. For example, in the next few months a new cancer treatment centre and a new medical teaching centre will open; and they are already seeing a noticeable increase in the number of top clinicians applying to work at our Hospital. These would not be happening if the hospital was going to be seriously “downgraded”.

Specifically on A&E, we continue to lobby the Chancellor and the Health Secretary for a commitment to provide the capital funding for the new, expanded A&E department that we, the Citizen and many others have been campaigning for. We hope to have a positive announcement on that front soon.

In the meantime, our two Milton Keynes MP’s shall continue to work with the hospital management team, ably led by Chief Executive, Joe Harrison, and the new Chair, the Labour Peer Baroness Wall, and other interested organisations to secure the best care for patients in Milton Keynes.

### Thought for the Month: Matthew, Chapter 5, verses 14 & 15

You are the light that shines for the world to see. You are like a city built on a hill that cannot be hidden. People don’t hide a lamp under a bowl. They put it on a lampstand. Then the light shines for everyone in the house. In the same way, you should be a light for other people. Live so that they will see the good things you do and praise your Father in heaven.

### BOW BRICKHILL DURING THE GREAT WAR : September 18<sup>th</sup> 1917

**BLACKBERRIES** – Mr. W.E. Burton has received instructions from Aylesbury that during the blackberry season the school children are to be given two half days each week for gathering blackberries. These will be used in jam-making for the soldiers and sailors. The children will be paid one penny for every pound gathered. Bletchley has been made a collecting centre for the surrounding villages, with Mr. J.H. Shardlow as organiser. Bucks. is trying to gather 1000 tons of blackberries. It is stated that owing to their medicinal qualities they are essential to the Army.

This is one of the fascinating extracts from the new booklet published by the History Society. Entitled "Bow Brickhill During the Great War", it chronicles World War I in the village, as reported by the North Bucks Times, the Parish Council minutes, and the School Log Books. It costs £2.99 and is available from any of the following:

Mary Preen 365374 email [marypreen@gmail.com](mailto:marypreen@gmail.com)  
Sue Malleson 373276 email [sue@bowbrickhill.com](mailto:sue@bowbrickhill.com)  
Gill Cannell 373602 email [candishtowers@gmail.com](mailto:candishtowers@gmail.com)

**WI** ... In July, members met at Walton Hall for a walk around and talk on the OU gardens, led by Alan Marham, the Grounds and Safety Manager. This proved a fascinating tour, informative and inspiring, and included the Jennie Lee savannah planting, the newt hibernation area, Horlock beds, Legacy walled garden, RAF hut grasses and Zen garden. Alan answered many questions during the course of the walk and members went home with many new ideas for their own gardens.

### BADMINTON FOR FUN .....

I'm keen to start up a group of people who'd like to play a game of badminton regularly, preferably once a week. Bletchley Leisure Centre, who have six courts for hire, would be my preference for venue, as it's the closest. I haven't played for about 4 years, so I'm a bit rusty, and would prefer not to join a club. Anyone who is interested, please let me know. Gill, email [candishtowers@gmail.com](mailto:candishtowers@gmail.com); tel. 373602.

The pub is now open for food and drinks under temporary management

Phone No to be advised when re-connected

Below is how the farewell collection for Denise, Simon & Rhys was distributed:

We presented Denise with a bouquet of flowers and gave Denise & Simon a pair of engraved wine glasses and a silver engraved photo frame containing the Wheatheaf postcard together with a cash gift of £200 to share and we gave Rhys a silver engraved tankard and a cash gift of £60.

The disbursement of the funds collected was as follows:

Engraved gifts – photo frame, glasses and tankard - £115 : Flowers - £15 : Postcard - £5 : Cash S & D - £200 : Rhys - £60 : Total raised £395

I think everyone got to sign the farewell cards with their own special messages and the gifts and cards were presented to them with an entertaining and eloquent speech from Alan P. at a brilliant party on Sunday evening.

Thanks to Denise & Simon for their generous free drink and reduced drink prices on the night – to Liz and others for the tasty buffet and a big thank you to Mary for sorting out the purchase and collection of the gifts.

The pub certainly feels as if it has lost its heart at the moment but hopefully it won't be long before we can get it thriving again.

### News from Bill the Postman .....

I am recovering well from my hip replacement, as the weeks have passed, my leg is getting stronger probably helped with advice from my wife Jan and from frequent trips to the gym!

On September 9<sup>th</sup> I will be officially retiring from the Royal Mail. I love not having to get up ridiculously early or tramp around the village in the wet! But, Bow Brickhill was my 'office' for 38 years, what started out as a job became a huge part of my life. I loved my job. I made so many friends, enjoyed village gossip and I really miss you all.

I have sent £100 to help cover the cost of the village newsletter, please accept this donation with my love and thanks. I still get a copy every month and it helps me to keep up with village life. I have already booked my tickets to the Bow Brickhill Feast in November and hope to catch up with your news on that occasion.

***With thanks for all your good wishes. Bill***

*(What a generous donation and how much he is still missed by us all. Glad to hear you are recovering well from your operation Bill and best wishes from us all for your forthcoming retirement. We look forward to seeing you at the Bow Brickhill Feast.)*

### HARVEST SUPPER

The Annual Harvest Supper will take place at the Church Hall on Friday 10<sup>th</sup> October at 7pm.

### **Roving Supper - Saturday 27th September**

This is the last call for participants for the Roving Supper - please let Sue know if you want to take part - 01908 372376 or [malleson@bowbrickhill.com](mailto:malleson@bowbrickhill.com) - by 7th September at the latest. Include your telephone number, your email and your name in any message.

It's great fun and if you've never taken part, now's the time. For just £5 you will enjoy a sumptuous feast in great company. All you will have to do is prepare one course of the meal for some of the participants and you'll have a couple of weeks' notice - so there's plenty of time to plan your culinary creation. No-one except the organiser (Mike Hallett) will know where they are going because, apart from the starting venue, instructions are given out on the night; that's all part of the plan.

### **COMMUNITY SPEED WATCH**

Community Speed Watch engages the community in addressing speed related offending. Local volunteers join together and monitor traffic speeds at identified road locations in the community.

The main objectives are:

- To secure a reduction in vehicle speeds to prevent collisions.
- To improve quality of life
- To raise public awareness to inappropriate speed.

For the Speed Watch equipment to be deployed, one member of Thames Valley Police and two volunteers from the community are required. The location for the deployment is selected by the resident and deployment is usually between one and two hours. Vehicles seen speeding are logged and letters of advice are sent to the offending motorist. The training required is approximately four hours carried out at Newport Pagnell police office. If you would like to get involved, please contact PCSO Rob Dabnor - [Robert.Dabnor@thamesvalley.pnn.police.uk](mailto:Robert.Dabnor@thamesvalley.pnn.police.uk)

Answering machine message, "I am not available right now, but thank you for caring enough to call. I am making some changes in my life. Please leave a message after the beep. If I do not return your call, you are one of the changes."
